In honor of Special Olympics Southern California's 40th Anniversary we are asking all of our volunteers, athletes, supporters, friends and family members to each find 40 fans of Special Olympics. **Fans** are those people who are willing to support Special Olympics by making a monetary donation to the organization who has provided a service to individuals with intellectual disabilities for 40 years.

The three individuals who bring in the most total money will receive a prize at the Forty Fans Fiesta in December. (Date and location TBD.) If you can find more than 40 fans, that's even better! The people that raise the most money will get a great prize so don't stop at 40 fans!

All proceeds will go directly to Special Olympics San Diego County programs, athletes and competitions.

If you would like to participate, simply email Jon Richards at jrichards@sosc.org with your name, phone number and email address so that we can send you updates, prize information as well as the date/time of the Forty Fans Fiesta in December.

The included form will be used to collect the name, phone number, email address, donation amount and donation type (check, cash, etc.) from your 40 Fans. If anyone would like to pay by credit card simply have them contact the Special Olympics office at 619-283-6100.

Make your own Find Forty Fans webpage!!! It's as easy as 1, 2, 3:

1) Go to this site:

<https://www.firstgiving.com/process/raisemoney/default.asp?did=2025&skip=home>

2) Then, click on Find Forty Fans (San Diego County).

3) Follow the directions and customize your Find Forty Fans webpage. Then, you can email your webpage to your friends and family. You can also track your donations through your webpage!

Thanks and good luck!

Sincerely,
Special Olympics San Diego County Staff
